## A Season of Prayer for the Church of Scotland

Living Christ,  
in times of turmoil and division  
the world can feel frightening and devoid of  
hope.

And yet,  
Just as we know that the butterfly will  
emerge from the seemingly barren and  
dried up chrysalis,  
when hope is lost, hope takes hold.

Living Christ,  
You have given us all we need for the  
journey.

And yet,  
You also warn us against thinking we have  
arrived.

Just as the butterfly will emerge from the  
cocoon,  
so newness comes to people of hope.

You are God of the journey,  
God of resurrection promise.  
Help us to anticipate the new  
and break free from that which holds us  
back.

As the people of the Way,  
help us to be a blessing to our troubled  
world,  
to be healers in our divided communities  
and people of hope in a despairing world.  
We ask this in Jesus' name.  
Amen.
